

remove that word. Therefore, the amendment to the committee amendments strikes the word "services" that was inadvertently left in in one place in the original committee amendment. I would move the amendment to the committee amendment.

SPEAKER NICHOL: I have three lights on. Did you wish to speak to the small Johnson amendment, anybody? Senator John DeCamp.

SENATOR DECAMP: Yes, Mr. President. I heard people talking about sales tax and then I heard somebody else babbling something about services, then I...I'm wondering, would it be germane on this bill then to...I guess it would, to put a sales tax on services amendment on this bill?

SPEAKER NICHOL: I would think not.

SENATOR DECAMP: Why not?

SPEAKER NICHOL: I don't think that is what the bill is about.

SENATOR DECAMP: It certainly is.

SPEAKER NICHOL: I'll rule it is not. You can take it from there if you like.

SENATOR DECAMP: Well...I think you're wrong, but what the heck.

SPEAKER NICHOL: I appreciate your cooperation this morning. The question is the adoption of the...I guess we'll call it the Hefner amendment to the committee amendments. No, it's to the bill, isn't it? It's to the committee amendments, okay. All those in favor of the Hefner amendment vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 24 ayes, 0 nays, Mr. President, on adoption of Senator Johnson's and Hefner's amendment to the committee amendments.

SPEAKER NICHOL: The amendment is adopted.

CLERK: I have nothing further to the committee amendments.
